

Mission: To shape health care through innovative and expert nursing leadership

Vision: Nursing leadership—one voice advancing health

American Organization
for Nursing Leadership

2019–2021 Strategic Priorities and Objectives

PRIORITY 1:

Advocate for nursing to shape the future of health care.

Objectives

- Advance nursing leadership's advocacy agenda.
- Create agents of change through grassroots advocacy and influence.
- Advocate for legislative and regulatory solutions to workforce issues.

PRIORITY 2:

Lead and influence the health care workforce.

Objectives

- Partner with academic stakeholders to prepare nurses to practice in emerging models of interprofessional care.
- Disseminate resources for nursing leadership career progression.
- Promote and support the elements of a healthful work environment.

PRIORITY 3:

Advance and sustain evolving nursing leadership competencies

Objectives

- Advance thought leadership through holistic and creative learning experiences.
- Create innovative leadership development programs that drive measurable outcomes.
- Forge partnerships to leverage collective expertise.

PRIORITY 4:

Advance and promote affordable, value-based health care.

Objectives

- Define and communicate nursing's role in reducing the cost of health care.
- Drive the application of evidence-based leadership practice in support of value-based care and accessibility.
- Catalyze the design of future care delivery models.

PRIORITY 5:

Strengthen AONE's voice through a highly engaged, inclusive and diverse membership.

Objectives

- Enhance and support nursing leadership's community of practice.
- Engage with industry partners to drive health care transformation.
- Shape the narrative of the contribution of nurses to healthy communities.
