

MedPro Healthcare Staffing's travel nurses and allied professionals come fully vetted, credentialed, and qualified to meet the needs of our diversified client base. We strive to work smart, promote individual growth and have fun while working as a team to deliver a valued service to our clients and employees.

Our seasoned clinicians are aptly prepared to quickly acclimate to your permanent staff and be a contributing member of your team from day one. Focus on your patients, we'll take care of the rest.

Supply: Nurse Staffing (all specialties) & Allied Staffing (Imaging, Laboratory, Cardiology, and Pharmacy).

Terms: Traditional travel model. Average assignment length – 13 weeks.

MedPro International is the industry leader in the recruitment and placement of foreign-educated healthcare professionals. We have placed more foreign-educated healthcare professionals into the U.S. healthcare system than any other company.

We hire foreign-educated nurses, physical and occupational therapists, and laboratory professionals and place them on assignments at facilities throughout the U.S. All MedPro International Healthcare Professionals are educated and trained to meet quality and U.S. licensure standards.

Supply: Nurse Staffing (all specialties), Medical Technology Staffing, and Therapy Staffing (Physical and Occupational Therapy).

Terms: Long-term solution. Average assignment length – 3 years.

Unlike a traditional MSP, MedPro Custom Solutions' provides a consultative approach to solve facilities' staffing needs.

Our state-of-the-art technology adapts to our client's business and delivers on-demand custom reporting to help create efficiency and optimize labor spend. Our company-wide commitment and personalized service ensures program success.

Supply: Our quality supply of healthcare professionals is comprised of master, affiliate, partner & unique international professionals.

Terms: Workforce Solution. Exclusive partnership between MedPro Custom Solutions and client.

About Us

Founded in 1983, MedPro is a Joint Commission certified, leading provider of contract staffing services to healthcare facilities throughout the United States.

Our wide array of clients includes teaching hospitals, government facilities, state-wide associations, and one of the world's largest laboratory companies.

Key Benefits to Working with MedPro

Supply Assurance: Our combined pool of domestic, foreign-educated, and vendor candidates allows us to fill both short and long-term staffing needs.

Quality Control: Our electronic credentialing process promotes candidate convenience, credentialing efficiency, and ongoing compliance.

State-of-the-art Technology: Built on the Salesforce platform, our proprietary system, SureStaff manages both front and back-end operations and is highly customized for healthcare staffing creating an efficient, flexible, and reliable process.

Ongoing Support: Our Account Management and Clinical Liaison teams work with our client facilities to ensure a mutually beneficial relationship for our healthcare professionals and clients.

Experience

Our Senior Leadership Team is comprised of several former hospital executives including our revolutionary CEO, Liz Tonkin.

Liz began her career as a staff nurse and eventually served as Chief

Nursing Officer and Chief Operating Officer for several acute care facilities. Prior to joining MedPro in 2004, Liz built a \$300 million staffing business. Liz is widely known and respected in the healthcare industry. Her accolades include:

- 40 years of healthcare experience
- Led deployment of workforce solutions to over 200 facilities nationwide
- Innovative leader in the international recruitment of foreign-educated healthcare professionals
