| | |
|---------------|---|
| 11:00 – 11:10 | <ul style="list-style-type: none"> • Brief introductions and review of Think Tank goals. • Icebreaker – Do you trust the data you are handed? Do you have the data you need to make your day-to-day operations work? |
| 11:10 – 11:40 | Level-set presentations: <ul style="list-style-type: none"> • AONL Nursing Technology Committee Update – Ali Morin • AACN Vision for Interoperable Data Sharing Across Nursing – Joan Stanley • Leadership Data Literacy Presentation – Rebecca Freeman |
| 11:40 – 12:45 | Questions for discussion: <ul style="list-style-type: none"> • If all the problems with data usability were solved, and everyone can access all the data they need in a timely and meaningful way, what would the ideal utilization of data look like? • What is the long-term goal of data usability? • How do we influence organizations to collect data using the same definitions? Can we influence this? • What is the information we need to advance care delivery? |
| 12:45 – 1:00 | <ul style="list-style-type: none"> • Conclusion – what is the next step that will help improve health care around this topic? |
