Tips for Successful Group Discussion

Start with Stimulating Content

- Identify essential content to convey
- Stimulate their thinking

Identify what conversation you want to have

Take time to prepare

- Practice to stay within 20 minutes

Present with energy

Tips for Successful Group Discussion

Create stimulating questions for the group

Facilitate the discussion

Promote conversation

Moderate dominant voices

- “Would anyone like to add anything?”
- “Let’s see if someone else has a comment.”

Listen and reflect on what they are saying

Several of you have mentioned....

Can you elaborate on that point?

I’m noticing a thread....

Stay focused on the topic – redirect if needed

Successful Presentations

Start strong. Stay Focused. Be yourself.

Commercial Interest and Copyright

Keep content clear of commercial or relevant financial interests
Avoid talking about one product solely

If you have a product included, you may be contacted by AONL to discuss potential commercial or financial interest.
