

AONL NMF and NDF Selection Task Force

Charter

Complete orientation for Task Force participation. Review application packets for Nurse Manager Fellowship and Nurse Director Fellowship, using criteria/rubric provided. Submit scores, qualitative feedback and recommendations for inclusion/exclusion in the Fellowships.

AONL Strategic Alignment

Priority

#1 Lead, Inspire, and Support the Health Care Workforce

Technology and Innovation

Objective

- Encourages engagement and recognition of outstanding AONL nurse leaders in the field.
- Assess and improve user experience with Reviewr submissions and review process

Stakeholders

- Volunteer leaders on the NMF and NDF Task Force
- Applicants for the NMF and NDF
- Member organizations that sponsor applicants for the Fellowships

Meeting Cadence

- Orientation/Training Meeting is held in July and recorded for those who cannot attend.
- Application packets are assigned to reviewers in August.
- Submissions of scores, feedback and recommendations are due in September.
- Cohorts are selected in October.
