

# Leadership, Innovation, Technology, & Transformation (LITT) 2025

## Charter

Provide guidance and expertise to AONL to support nurse leaders to be on the cutting edge of innovation and to be able to develop and lead digital strategy in service of safe quality equitable patient care and better workforce outcomes.

## AONL Strategic Alignment

### Priority

Strategic Priority 3:  
Advance Nursing Leadership

### Objective

Lead the adoption of innovative practice solutions and emerging technologies to revolutionize care delivery while ensuring equitable access

## Stakeholders

Key stakeholders include, but may not be limited to, patients, healthcare professionals, healthcare leaders, payers, technology developers and vendors, researchers and academia, policy makers, and public health.

## Meeting Cadence

The committee meets virtually on the second Friday of each month from 10:00 – 11:00 AM. Meetings are recorded and minutes transcribed. Workgroups are formed to address work outlined on the project plan. The chairs, board member, and AONL support meet once per month for agenda planning

## Key Milestones

Deliverables	Owner	Target Date
Application of guiding principles		
Author publications		
Develop media – videos, presentations, webinars, podcasts		
Partnerships to advance digital transformation
