

Nursing Value and Impact Subcommittee Charter | 2026

Charter

The Nursing Value & Impact Committee is a subcommittee of the AONL Workforce Committee. Its purpose is to define, articulate, and advance the measurable value and strategic impact of nursing within today's healthcare landscape, with a goal for nurse leaders to drive evidence-based investment and decision-making, empowering chief nursing officers (CNOs) and other executive leaders to effectively advocate for and strategically invest in the nursing profession. The scope includes developing partnerships, guiding best practices, and influencing decision-making at the executive level.

AONL Strategic Alignment

Priority:

Lead, inspire, and support the health care workforce

Objectives:

- Leverage evidence-based research strategies to demonstrate the economic value of nursing and nurse leaders

Eliminating Disparities in Healthcare Outcomes:

Innovation: Curiosity and learning from national experts to cultivate best practices across the industry.

Technology: Leverage technology to use data in measuring determined KPIs

Stakeholders

Key stakeholders include, but are not limited to:

- AONL Executive leadership
- AONL members
- Nurse executives, (CNO/CNE), C-suite executives, nurse leaders
- Finance leaders, executives

Meeting Cadence

- Virtual meetings are scheduled for the 4th Thursday of every month.
